

EQUALITIES: EQUAL OPPORTUNITIES STATEMENT OF INTENT

The Cullompton Walronds Preservation Trust acknowledges that the United Kingdom is diverse in culture, race, beliefs and religion and believes that no individual or group of people should receive less favourable treatment on the grounds of gender, age, colour, race, nationality, cultural heritage, disability, marital status, social background, sexual orientation or geographical location.

The Trustees acknowledge that members of these groups are often under-represented, exposed to prejudice and stereotyping and suffer various disadvantages within our society. The Cullompton Walronds Preservation Trust will take steps to combat direct and indirect discrimination in the management of the Trust, its relationships with other bodies and the services it provides to the community and individuals.

The Cullompton Walronds Preservation Trust is committed to providing equality of opportunity in all areas of its work. It aims to overcome discrimination on the grounds mentioned above. Our aim is to ensure that we become aware of discrimination and the problems it causes.

The Cullompton Walronds Preservation Trust will challenge practices, legislation and institutions that seek to discriminate against or deny the rights of individuals or groups in any form.
